

APRIL 2022

Shateva Looks Forward to the Future

As if being a single parent was not hard enough, Shateva found herself without documents for herself and her daughter. She knew that a state ID and a copy of her and her daughter's birth certificate would be needed to gain employment, education and basic benefits and to prevent her from becoming homeless. Obtaining these documents seemed impossible for this single mom but it's right in our wheelhouse. It's what we do at Homeless ID Project and it can make an immediate and lasting difference right here in our community.

Importantly, we couldn't do this work without support from you and others in our community. The work we do is largely supported through taxpayer donations through the AZ Tax Credit program – a state sponsored program where you donate up to \$400 per taxpayer and get every dollar of it back when you file your taxes. You have until April 18th to qualify for a 2021 Tax Credit. [Click here to donate now.](#)

With your help, clients are empowered to overcome obstacles and begin a new journey. We asked Shateva how she keeps going, her answer was simple, "Trust in God."

Did you know...HIDP Outside HSC

Did you know that Homeless ID Projects operates everyday outside the Human Services Campus?

Every day, Homeless ID Project heads off the Human Services Campus to partner with local organizations, helping their clients obtain State IDs and birth certificates. Over one-third of documents are provided to off-campus clients throughout Maricopa and Pima Counties. Partners include everything from family-focused agencies to reentry programs. We also coordinate with periodic programs such as the **Project Connect** programs and the annual **Arizona Veterans Stand Down** hosted by the AZ Housing Coalition. Thanks to you, our work continues across the Valley and beyond the campus.

Hear Arizona Podcast:

On the latest episode of "UnAffordable: Another Way Home", Madison Mulvihill speaks with executive director, Rick Mitchell about how clients are effected by low-income housing and the solutions to ending homelessness.
