

HOMELESS I.D. PROJECT

HELP STARTS HERE

We exist for our clients and our community

Empowering Others

The bravest people are the ones who walk through our doors. Colby and Giovanna are a prime example of that. The couple moved to Phoenix looking for opportunity and ended up homeless with an expired out-of-state ID. Giovanna told us when she and Colby came to Homeless ID Project they weren't just looking for an Arizona ID, they were looking for "a boost."

In truth, they had already given themselves a boost! The sheer will it takes to overcome such circumstances and seek help is nothing short of miraculous – and because of you, the initiative taken by Colby and Giovanna empowers them to move forward. Even as they sat in the waiting room to complete the process they were already talking about their plans for the future.

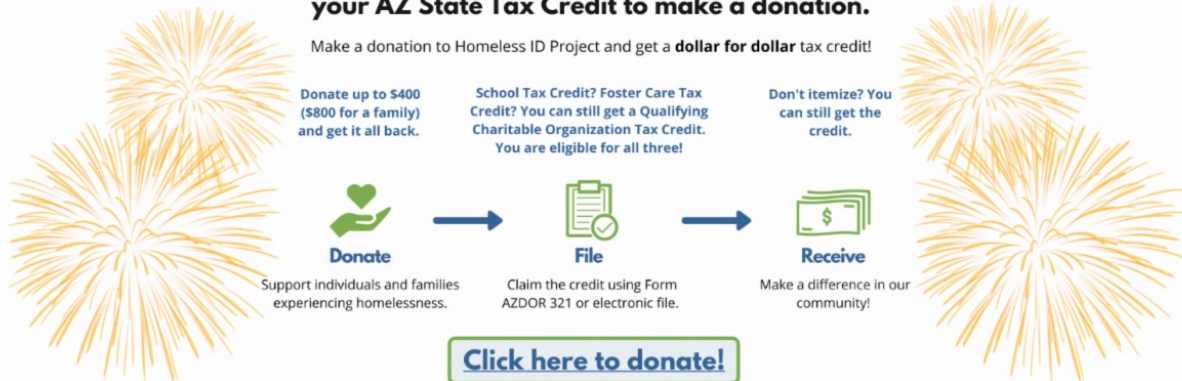

Thanks to you we were able to support Colby and Giovanna without delay by providing the documents needed to gain employment, qualify for housing, benefits, and ultimately end their homelessness.

Make a difference in 2022!
2021 was a record breaking year with 8,276 replacement documents issued. Help us do more in 2022 as we respond to increased demand with 10,000 replacement documents needed to end and prevent homelessness.

You can help to end homelessness this year in our community by using your AZ State Tax Credit to make a donation.

Make a donation to Homeless ID Project and get a **dollar for dollar** tax credit!

Use the School Tax Credit? You can use this one too!
Donations through April 15, 2022 can be applied to your 2021 taxes.

Because of your support, our clients are able to make the choice when they're ready to take the first step in ending their homelessness through vital replacement documents. Thank you.

The mission of **Homeless ID Project** is to empower individuals and families to end their homelessness and rebuild their lives by providing the critical first step of identification replacement services.

Hello Reader,

My name is Sam and I am taking over Homeless ID Project's communications! This means I will be writing these newsletters, overseeing our social media, and everything in between to spread our message of empowering those experiencing homelessness to take the first step in rebuilding their lives.

Homeless ID's mission is one I'm excited to be a part of, and I look forward to getting to know each and every one of you who wants to be a part of this mission as well. If you have any questions, comments, or ideas please feel free to contact me at sam.butler@azhomeless.org

Otherwise, I wish you all a happy and blessed New Year.
