I.D. PROJECT
HELP STARTS HERE

QUARTERLY IMPACT
REPORT:
1ST QUARTER
2023

Success Story: Jacob

One of our recent clients, Jacob, came to our bimonthly outreach at Tempe Community Action Agency for both a replacement ID and a birth certificate. Having lost both, he wants to use his new documents to apply for housing and seek employment as a peer support worker, or simply in any position where he is helping others, saying that “Helping other people helps me.” To others who are in similar situations as Jacob, he wants to say to them, “Don’t ever give up. There’s always hope out there.”

March was our biggest month ever:

1,480

The number of replacement documents issued during the first quarter of 2023:

3,611

28%

of our clients are from outreach programs across Maricopa and Pima counties!

1000 VOICES

Join the Homeless ID Project 1000 Voices Campaign

At Homeless ID Project we believe that homelessness is not inevitable. It’s not ‘just the way it is.’ But it will not end until we understand it and we will not understand it unless we talk about it – so let’s talk about it. The 1,000 Voices Campaign is an opportunity for you to join the conversation. There are a number of ways to get involved – some of them are listed here and some are yet to be discovered as we talk about our collective will to end homelessness.

Visit our website at hidp.org for more information and to join the conversation.
