

HOMELESS
I.D. PROJECT
HELP STARTS HERE

**QUARTERLY IMPACT
REPORT:
2ND QUARTER
2023**

May was our
biggest month ever:

1,504

Replacement documents
issued in Q2 of 2023:

4,246

27%

of our clients are from
outreach programs!

Success Story:
MICHELE

Michele, a member of the San Carlos Apache tribe, was recently injured in an accident. Unable to work, she found herself facing homelessness. Once she became unsheltered, her wallet including her ID, was stolen. Without her ID she could not apply for assistance or receive wire transfers from family and friends. Once her replacement state-issued ID is received she will return to work and school, taking advantage of educational programs offered by her tribe.

7,875
DOCUMENTS
IN THE FIRST
6 MONTHS OF 2023,
MORE THAN ANY
YEAR PRIOR TO 2021

**FUNDED BY YOUR DONATIONS,
HOMELESS ID PROJECT
SAVED THE COMMUNITY
\$23.6 MILLION
IN THE FIRST HALF OF 2023
RETURNING \$84* FOR EVERY
DOLLAR INVESTED**

OF COURSE, NOT EVERY DOCUMENT IS USED TO END A CLIENT'S HOMELESSNESS. LET'S ASSUME A RATE OF 10%. ACCORDING TO USICH THE COMMUNITY SPENDS \$30,000 ANNUALLY TO MAINTAIN A PERSON HOMELESS AND ON THE STREET. COMBINE THAT WITH HOMELESS ID PROJECT'S 2022 EXPENSE OF LESS THAN \$500,000, APPLY A BIT OF MATH AND YOU'LL SEE THAT WE'RE SERIOUS ABOUT OUR COMMITMENT TO BE GOOD STEWARDS OF YOUR SUPPORT!**

NOTES: *7,875 DOCUMENTS; TIMES 10%; TIMES \$30,000 EQUALS \$23.6 MILLION SAVED. THAT SAVINGS DIVIDED BY \$280K EXPENSE SO FAR IN 2023 RESULTS IN \$84 SAVED PER DOLLAR SPENT.
